President's Comments:

Bill Fleming noted that members who ran at Hastings enjoyed the event.

Considerable interest has been expressed for the Saturday-only option for the Enduro. The Nominating Committee is in place with Bob Darcey as Chairman, and will be recruiting nominees shortly.

Minutes of the August Board Meeting will be approved via email vote following review.

Treasurer's Report:

- Current cash balance (net of checks written)- \$ 35,701.01

- Charity event showed a net profit of \$8,627.00
- There was no sponsorship solicited for the Hastings event which had a loss \$400 greater than budgeted.
- Deposits to be paid at the first of the year for 2014 events will total \$28,500.00.
- Paid membership at 3602
- Detailed Report attached.

Treasurers Report was approved as presented.

Chief's Reports:

Chief Instructor Report: Lynn reported that one new license has been issued. An email has been sent to students from the last two Precision Driving Schools re: a special run group at PPIR. Lynn hopes for 20 entries; 5 have responded so far. With an incident at Hastings, there have been 9 significant incidents this year. Once again there was discussion of stricter penalties, such as an automatic 13/13, or requiring markings on racecars driven by drivers on probation. A one-day advance driving school is also under consideration. All penalties and infractions will be published monthly.

Past, present, and future Chief Stewards will meet to draft a proposed "Rules of the Road" and penalty application Policy for Board consideration.

CAMA Report:

No report.

Flag & Communications:

B.J. discussed worker issues surrounding Hastings. He is working on getting enough workers for the Enduro.

Timing & Scoring:

No report.

Safety: In response to Tony's suggestion that HPR add a tire wall outside Turn 11, track Management has indicated that the design of the track does not warrant a tire wall there. Tony questioned whether it might be a good idea to have a third party inspect that portion of the track and give their recommendations.

Tony also discussed the excessive time lost during the Hastings event due to tow truck issues and possible solutions for the future.

New Members

RMVR wishes to announce the following new members! Welcome to each of you. We hope you will take full advantage of your membership, all the club activities, and the camaraderie of your fellow members. Please help us in welcoming these fine folks.

Old Business:

Roger and Diane Hively forwarded a summary of the Hastings event with suggestions for improvements to the event if held next year.

Future and ongoing Marketing efforts, for Hastings as well as all other RMVR events, was discussed.

New Business:

Enduro:

So far there are 18 full weekends and 6 Saturday-only entries. An email blast will be sent out ASAP to encourage entries.

2014 Apex magazine:

The financial ramifications of the present Apex format were discussed. Reducing the number of copies printed and considering a less costly format are being reviewed. The subject will be considered further at the next board meeting.

Bill Fleming adjourned the meeting at 8:47 PM

Respectfully submitted –
Mike Cotsworth, Secretary
