Wreckers were better than last year. RMVR Radios and RMVR workers were primary at important corners. Request was made for Wreckers to have a better idea of how to tow certain cars, particularly Formula Vee. Having tow markers on the car or speaking to the tow drivers before the event were two suggestions.

RMVR VOLUNTEER NEWS

October 2014

By BJ Kellogg

Octoberfest- October 25 & 26- Weekend Features

- Last year proved that folks really like running PPIR clockwise. Think of it as a new track- it should be fun. Dare we say “spooky”? Spooky can be fun!
- There will be a food vendor for breakfast and lunch both days.
- Saturday’s after racing drinks and treats will be stepped up to help everyone stay and enjoy the costume party (details to follow) and live entertainment.
- Plan on some Halloween themed stuff with prizes:
 - Best Halloween costume Saturday evening
 - Best Halloween theme pit area and best corner station

A very big thank you goes out to the one hundred plus volunteers who gave over four thousand hours to RMVR this year. Without you we could not do what we do, which is play with race cars.

PLEASE SEND IN RESPONSE TO THE APPROPRIATE CHIEF LISTED BELOW.

If you have any preferences as to whom you share a room with, please be sure to let your chief know. Remember that all specialties are limited as to the number of workers for whom they can provide accommodations, so send in your reply form before the deadline.
