Event Tech Reminder

...A reminder to all drivers that they must have their Annual Tech on file and every race their vehicle must be inspected by the owner / driver and a tech inspection sheet must be filled out and signed to give to tech at registration please and thank you.

Annual Tech Inspection

"Good news: If you obtain a pre-season Annual Tech inspection before showing up for your first event, the car is exempt from further at-track event inspections for the entire season. Your registration process at every event will thus be considerably streamlined. On rmvr.com, read about how the new procedures for 2019 and works to your great advantage. Motion to approve June Minutes

– Jeff Payne
2nd – Rob Van Westenberg
Approved – All present voting board members.

President's Opening Remarks –

Patrick Fay
RAKC is next race, looking forward to a great event there, our goal is to raise over \$250,000.

Treasurer Report –

Eric Schakel –
No updates since last month, we are still awaiting invoices from Pueblo. If anyone has information or

Keep the date open!!!

June 27th and 28th 2020 are looking good for the 1st annual Estes Park Grand Prix, the EPGP. Stay tuned...

guidelines/rules regarding purchasing unusual or non-event-related items, I would like to read it. It would be nice if there were a clear allowed vs. not allowed list of items that are reimbursable.

Eric will draft a proposed set of guidelines surrounding discretionary expenditures.

Motion to approve Treasurer's Report – Rob Van Westenberg
2nd – Martin Willis
Approved – All present voting board members.

Chief of Specialties Report:

Grid – John Victoria – Nothing from Grid

Marketing - Brian Weaver – RMVR Marketing Canopy will be setup and staffed at RAKC

Marshals – Lisa Williams – Everything is going well for RAKC setup, we are very close to having a fully staffed track for RAKC. Lunchtime ticket to ride folks are also good to go.

CDI – Lynn Fangué – Two more licensed drivers, Zach and Rees congrats to you both!

Van & Equipment – Eric Ladner – N/A

Special Orders Discussions / Upcoming Events - None

Unfinished Business

2nd Reading of eye Protection Rules Clarification – John Victoria

Motion to Approve as Presented – Rob Van Westenberg
2nd – Ken Tisdale
Approved – All Present Voting Board Members
John will send the rules change to Matt Ammer for Rules and website update.

2nd Reading Rewording "Exhibition Entries" Section of Eligibility Rules – Brad Leach
Tabled due to Brad's Absence

2nd Reading of rule change regarding Car Allowance for student cars for three events after completing the school – Lynn Fangué

Question was posed: Is this creating a loophole for racers to more easily obtain a license with RMVR to race elsewhere? Answer: Would really only be good for a single season as there is the newly passed rule regarding racing at least once per year to maintain license.

Motion to approve as Presented – Rob Van Westenberg
2nd – Eric Schakel
Approved – All present voting board members

Lynn will communicate the rules change to Matt Ammer for Rules update.

Worker Van Plight Update – Eric Ladner

For RAKC there is a substitute equipment solution in place, so the event is taken care of from a legality perspective.

Rob Van Westenberg proposed we obtain a trailer which can serve for our storage and transport needs, and also volunteered to store it on his property.

Patrick recommended we look into consolidating our equipment

transport (Radios & Timing & Scoring, etc that are currently transported by other individuals), and make sure that any new type of vehicle achieves all of our goals.

A possible option is a one-time assessment on the membership that could cover the cost. Current membership is between 400-500 members, a \$40-60 assessment per member could purchase the club the truck it needs to continue to legally operate.

Holiday Banquet Idea – Cussler Museum – Patrick Fay
Exploring Other Options – Possibly the Matthew’s old space that is now owned by Arvada.

2020 RMVR Schedule
Currently trying to put some more space between the Spring Race and Pueblo however moving Pueblo back will bump up with Estes Park if that happens. Currently there is 3 weeks between Spring HPR and Pueblo and 3 weeks between Pueblo and Estes Park as it’s currently scheduled.

Finkbinder Porsche 944 & Other Eligibility Questions -
Charismatic conversations ensued regarding eligibility. Productive rules-changing conversation was not part of the discussion.

New Business
Purchase of barriers for Estes Park – Kyle Popejoy

Rick with Estes Park has sent us specifications regarding the roadworks that are designed.

We can purchase (200) water barriers for \$75/ea (which the cost will be split with Estes Park.) (Regular price is \$350/ea).

Motion to approve the Barrier Expense to put on the event, contingent upon Estes Park race actually happening.

2nd – Brian Nelson
Approved – All present voting board members

Launch effort to research eligibility expansion

In summary – we generally all agree that eligibility needs to progress, and we generally all agree that it is a very difficult task. Looking for research volunteers to research other clubs and see what works and what doesn’t. If we could assemble a master list of all things that need to be researched this would be a small step forward. Recommend looking into VRG and SVRA, HSR, and SOVREN rules and investigating what works and what doesn’t. It was noted formula car groups are very strong, the issue is with production cars.

La Junta Race – Recent Visit
Jeff Hall spoke with the track manager, everything seemed to be on the up and up. Price seems right with a per-car fee. Ken believes it

will be a good opportunity. There are currently open weekends for September and October 2019.

Rob Van Westenberg – Propose RMVR puts on a race in La Junta on October 5-6. Richard Bowler and Jeff Hall will co-chair the event.

2nd – Wayne Siebrecht
Approved – All present voting board members.

An email announcement will follow.

Estes Park Latest News: N/A

Open Discussion – Wayne Siebrecht – The Forney Museum is having a vintage display next winter, so there is a possibility of free car storage next year.

President’s Closing Remarks – None

Motion to adjourn the meeting at 8:49 – Brian Nelson
2nd – Wayne Siebrecht

All in Favor – All present voting board members.

Next meeting will be 7:00PM Wednesday August 21, 2019 at the Blue Bonnet Café.

August 2019 President's Message

After a long hot summer, it's time to get back to racing! 2019's Race Against Kids' Cancer is here! Rocky Mountain Vintage Racing is proud of our association with Morgan Adams Foundation. Last year, you helped us reach over ONE MILLION DOLLARS in donations to help push childhood cancer research to the next level! We're not stopping there.

We have a goal of raising \$250,000 with this year's event. Ambitious? You bet. We can't do it without you, whether you're one of our tireless, dedicated volunteers, one of our racing drivers, or one of our fans. This is a big group effort for a great cause, and I thank each and every one of you.

Race against Kids' Cancer is Rocky Mountain Vintage Racing's premiere event for 2019, and it will be jam-packed with racing excitement, exotic cars, and celebrity racing drivers, great food, live music, and lots of opportunities for making donations while having a lot of fun. Please join us in making this a breakthrough year for pediatric cancer research!

In case you haven't heard, RMVR is going back to La Junta in October! It's been 10 years since we went there, and a lot has changed! The track's been resurfaced, the outbuildings have been restored, and the town is rolling out the red carpet for us! I hope you will sign up and join me and all of our fantastic course marshals and racers. It's going to be a blast!

Elections are coming up soon, so if you've been thinking about running for a board position, now's your chance. Serving on the board is a great way to give back to this great organization while helping to ensure our current and future success. I am honored to work with our board members, and I'm proud of the things we've accomplished. I hope you'll give it some serious thought.

See you at the races!
 Patrick Fay

RMVR VOLUNTEER NEWS

August 2019

By Lisa Williams

RMVR's annual Race Against Kids' Cancer (RAKC) August 10 - 11 at the High Plains Raceway in Byers, CO. is now just around the corner. I am still in need of a few more fantastic volunteers to make this year's RAKC a huge success! This is an event near and dear to many of our hearts, mine included. RMVR partners with and helps provided much need funding for childhood cancer research alongside the Morgan Adams Foundation (MAF). Returning this year is a friendly group specific competition. As volunteers for RMVR, let's all do our part and show the world what a truly amazing group we are. Go to <https://raceagainstkidscancer.org/> and create your very own fundraising page under the "Create a Corner Worker Donation Page" tab. Today is a great day to be a RMVR Volunteer!
